

LIST OF JUDGMENTS AND PUBLISHED DECISIONS IN ALPHABETICAL ORDER
1960-2007

Introductory note

The following list contains, in alphabetical order, all judgments handed down by the Court since 1960 (whether or not published in the official Reports). Only those decisions which have been published in the Reports are listed. Note that all judgments and all decisions (whether or not published in the Reports) are to be found on line (HUDOC database).

Since 1999 a number of judgments and decisions have been published as extracts. In references, the reader should be directed either to the extracts published in the Reports or to the complete text available on the Internet, depending on whether or not the relevant paragraph(s) form(s) part of the published extracts.

Between 1960 and 1995, all cases were reported in Series A. From 1996 to October 1998, they were published in *Reports of Judgments and Decisions* (abbreviated as "Rep." below). Since 1 November 1998 (date of entry into force of the "new" Court), a selection of cases are published in *Reports of Judgments and Decisions* ECHR.

(An asterisk (*) denotes a screening panel decision of the "old" Court.)
